We open our doors and hearts to provide free, safe, and delicious meals for pick-up. Just drive or walk to the east entrance on St. George's and a volunteer will bring the meal in a take-out container to your car. If you would like it delivered to your home, please email office@stg.church to place a delivery order.

These meals are prepared, following government directives, in a commercial kitchen, are ordered in advance and picked up outside the church.
